HNF's 2019 Patient-Centered CMT Movement Summit Weekend will be held at Ability360. The Ability360 Center is a 62,000-square-foot universally designed, accessible and transit-oriented non-profit resources center serving the disability community in Phoenix, AZ. The Summit will focus on overall wellness including: classroom-style presentations on nutrition, meditation, yoga, etc. and then we'll have a full day of adaptive "movement" including: vector workouts, functional patterning, aquatics, strength training, and even rock climbing! Opportunities to network will be provided at the cocktail reception and dinner.
